

**Prayer for the Growth of the
Catholic Aviation Association**

O God, we pray that You would gather together the People of God from all aspects of aviation into a fraternal association where we may encourage and support one another as we pursue our aviation hobby, interests and careers. Through the grace and power of your Holy Spirit, inspire and enable this association to be a witness to Your eternal plan and to Your Son, our Lord and Savior Jesus Christ, in the world of aviation. Amen.
